

## Commissioners of Barnesville

### Minutes

June 21, 2022

The meeting was held in a hybrid manner.

### Called to Order

### Pledge of Allegiance

Minutes were not available for approval

### Financial report

An overview of the financial report was provided. Additional income tax was received in May, bringing the total to the predicted budgeted amount.

### Beautification committee

### Sustainable Barnesville

A presentation on Bats will be held via Zoom on Thursday, June 23rd.

### Board of Appeals

No activity at this time

### Capital Improvements

Sidewalks: Thursday will be the closing date for the deed transfer for the land. The State plans to complete the sidewalk by the end of the year.

Stormwater drainage:

### Traffic Calming

8 Patrols were conducted and speeding violations are the most common stop, 72 stops in May. On the 20th, there was a car accident with a DU in Barnesville. Next month, the plan is for the regular 8 patrols at various times throughout the month.

### Planning and Zoning

Woody Bailey has stepped down, there is an opening on the commission.

### Community Events

The Park Dedication ceremony took place on Saturday, May 14th. Jan, Audrey, and Mildred spoke at the ceremony. The event was well attended with the presentations at Town Hall and a walk to the park afterwards for the unveiling.

Barnesville's 275th Celebration. The Book of Barnesville will hopefully be available to borrow from the state archives. There will be a fun walk/run the morning of Oct. 2, depending on the timing of church services. Town hall will have historical displays about the town. There will be a parade at 3pm.

### Town Hall

Available for Reservations.

### Communication

The Tidbit is seeking articles for a June publication.

### New Business

The July primary will be on July 19th—after 7 days political signs should be removed.

Street lights—the lights will be replaced first (by Potomac Edison) and then later the town will purchase shields. The lights are being replaced as the electric company is replacing poles and wires. Their goal is to be done with our area by August.

Meeting was adjourned at 8:20pm
